2U Rack Blank Panel for 19in Server Racks and Cabinets

Product ID: BLANKB2

The BLANKB2 2U Rack Blank Panel for 19in Server Racks and Cabinets is designed to EIA RS-310-C specifications and fits all 19" standard server racks and cabinets.

Ideal for improving airflow within the rack by covering the unused spaces, the filler panel/blank panel is constructed of cold-rolled steel and features a black powder coated finish that matches most industry standard black server cabinets and racks.

Certifications, Reports and Compatibility
